- Presenting 110 Airport Road in Summerville, South Carolina—a single-tenant, freestanding industrial building totaling approximately 5,881 square feet situated on 0.89 acres within the high-growth Summerville submarket of the Charleston MSA. The property features a functional layout consisting of $\pm 4,737$ square feet of warehouse space and $\pm 1,144$ square feet of office, offering an efficient ~80/20 warehouse-to-office ratio ideal for a variety of industrial users.

The warehouse is equipped with an 11'4" clear height and two slab-grade roll-up doors measuring approximately 10'8" x 14' and 21' x 10'4", providing flexible access for operations and logistics. Currently operating as a welding facility, the building is fully insulated and climate-controlled, and includes Phase 3 power along with an independent compressed air system—supporting a wide range of manufacturing, fabrication, or service-oriented uses.

- Positioned in one of the fastest-growing regions in South Carolina, the portfolio benefits from strong demographic tailwinds, with population growth projected at approximately 8.13% and household growth at 8.50% between 2025 and 2030. This offering is well-suited for investors and owner-users.

- Strategically located in Summerville, South Carolina, within the rapidly expanding Charleston industrial corridor, offering exceptional access to major transportation routes and regional economic drivers. The properties benefit from proximity to Interstate 26 ($\pm 110,000$ VPD), a critical east-west logistics artery connecting the Port of Charleston to inland distribution hubs. Additional connectivity is provided via Jedburg Road ($\pm 11,380$ VPD) and Highway 78 ($\pm 16,000$ VPD), supporting efficient last-mile distribution and workforce accessibility.

The location is surrounded by a dense concentration of major employers and industrial users within a 10–100 mile radius, including Charleston International Airport, Boeing, Mercedes-Benz Vans, South Carolina Ports Authority, Bosch, Shimano, and WABCO. This proximity to global manufacturing and logistics hubs reinforces long-term demand for industrial space in the area.

- Within a 10-mile radius, the property is positioned near several of the region’s largest residential and employment centers, including Cane Bay and Nexton, which together account for over 16,000 households and continue to expand. The area is also anchored by major industrial and distribution users such as Volvo Cars, Redwood Materials, Amazon, and Walmart Distribution Center, further driving employment growth and industrial demand.

This strategic positioning at the intersection of population growth, infrastructure investment, and industrial expansion makes the portfolio an attractive long-term hold with strong fundamentals supporting tenant demand, rental growth, and future appreciation.
